These terms of reference will be implemented and effective once recommended by the Transformation Committee and approved by the Board.

The Transformation Charter adopted by all sport federations will be used to implement, manage and monitor the transformation process.

FUNDAMENTAL PRINCIPLES OF THE TRANSFORMATION CHARTER ENTAILS THE FOLLOWING:

The South African sport sector recognizes that empowerment and affirmation involves a set of integrated strategies including:

5.1 Re-inventing, re-organizing, restructuring and rejuvenating the overall sport system as well as its component parts.

5.2 Considering the principles underpinning a 'Developmental State'. A Developmental State plays an active role in guiding development and using the resources of the country to meet the needs of people. It tries to balance growth and social development by using resources in expanding opportunities.

5.3 Changing sport's demographic profile.

5.4 Establishing a system for identifying, incubating and nurturing the seamless development of human capital from mass participation level through to high performance and elite participation levels.

5.4 Ensuring equitable access to all resources including finance, facilities, support services, infrastructure, and participation opportunities in all areas and at all levels.

5.5 The sustainable improvement of human capital in all areas on the basis of skill, expertise and capability development and improvement on and off the field of play.

5.6 Improving the administration of South African sport according to governance principles and procedures (see King III Report).

5.7 Accelerating social development at community level through the establishment and development of sport structures and infrastructure on the basis of enhanced social responsibility.

5.8 Exploring the broader social context of sport and the social needs in this context through extended community based initiatives and programmes in support of goals and objectives of strategic national importance.

5.9 Linking schools and club structures that are in harmony with SRSA initiatives at a local and provincial level.

5.10 Ensuring equitable distribution of all resources – finance, facilities and support services – and redressing backlogs experienced in and by disadvantaged communities.

5.11 Consistently improving and enhancing the quality of performances on and off the field of play at international and all other levels of high performance sport on the basis of the principles of universality and merit in tandem with each other.

5.12 Bringing about equitable representation of black persons, women and people with disabilities in all areas and all levels within local, provincial and national sport structures over time.

5.13 Ensuring equitable representation (on the basis of Employment Equity principles) of black persons, women and people with disabilities in all occupations and positions within South African sport structures over a period of time.

5.14 Ensuring that all codes consistently enlarge its participation footprint across the country.

5.15 Pursuing and practicing preferential procurement practices with respect to BEE and suppliers providing environment friendly products and services to sport. To accelerate, advance and manage the process on the basis of a “scorecard” mechanism, applicable to the South African sport sector to monitor and analyze trends towards pre-set transformation goals.

5.16 Implementing a performance measurement and monitoring/auditing system to ensure progress and positive trends in all transformation dimensions selected and introducing interventions as and when required.
